

110 Years of Quality Products

We make the best sensing leads, but you don't have to take our word for it. Contact us for samples and see for yourself!

Underground Sensing Lead Solutions

**Cost Effective · Innovative Designs
Long-Lasting Performance**

AI-000445

AI-000428XL

High quality sensing leads can be customized with different cords and connectors to suit your needs.

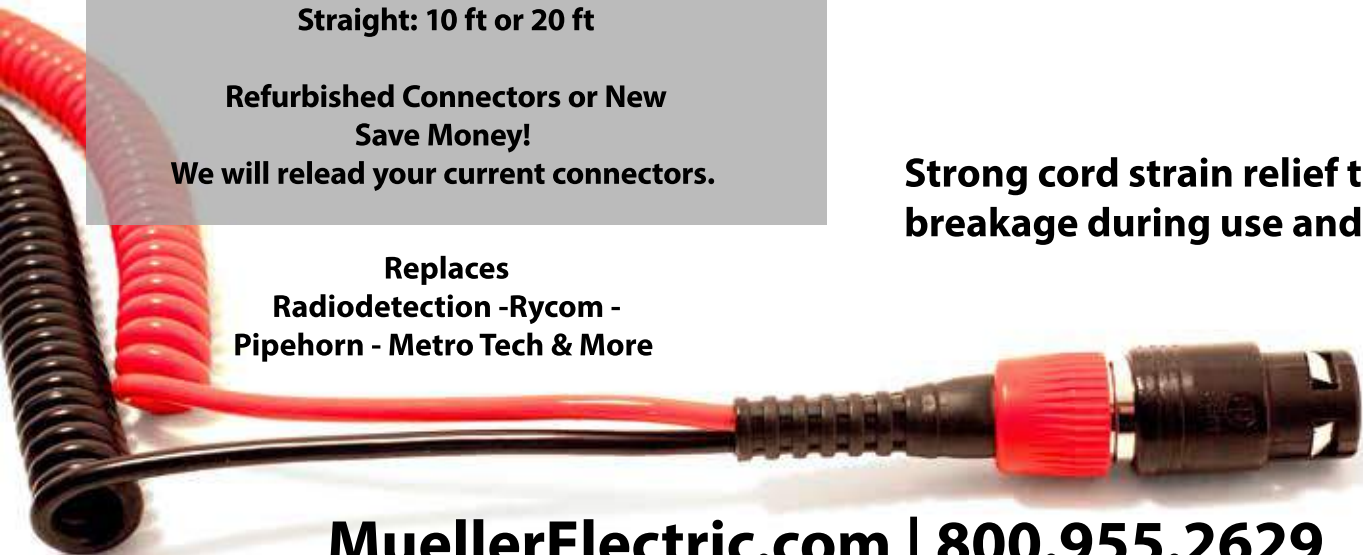

**Cord Options:
Coil or Straight**

**Length Options:
Coil: 7-9 Ft, 11-13 Ft (L), 14-18 Ft (XL)
Straight: 10 ft or 20 ft**

**Refurbished Connectors or New
Save Money!
We will relead your current connectors.**

**Replaces
Radiodetection -Rycom -
Pipehorn - Metro Tech & More**

Strong cord strain relief to reduce breakage during use and storage.

Sensing Leads Options & Examples

Customizations

Cord Options:

Standard Coil Cord Stretches to Approximately 7-9 Feet
 L-1.5 X Standard Coil Cord Stretches to Approximately 11-13 Feet
 XL - 2X Standard Coil Cord Stretches to Approximately 14-18 Feet

Note: straight cord versions are available at custom lengths.

Termination Options:

All lead terminators are available in coiled or straight cords

Connectors:

Refurbished or new connectors.
 Save money: We will relead your current connectors

High quality sensing leads can be customized with different cords and connectors to suit your needs.
